Taking into consideration the policies and practices of the Israeli occupation authorities towards the Arab citizens in the occupied Arab territories, aimed primarily at the eradication of their cultural identity, along with Israeli attempts to wipe out and disintegrate their national and Arab identity at all levels, the Israeli policy of systematic stamping out of education aimed at creating a poorly educated generation ignorant of its history, heritage, homeland, and Ummah, the Israeli practice of a policy bent on maligning Arab and Islamic civilization and causing prejudice to Arabs and Muslims, the Israeli abuse and distortion of historical and geographical facts, in addition to the continuation of Israeli policies of settlement, expansion and racial discrimination through claims of Israeli supremacy over the citizens of the occupied Arab territories, all of which constitutes a blatant violation of their fundamental rights;

1. Condemns strongly the decision by Israel, the occupation force, to attempt to impose Israeli curricula on the schools of the occupied city of Al-Quds instead of Arab Palestinian curricula, in the framework of a racist Israeli plan to judaize the city of Al-Quds, obliterate its Arab identity and distort the awareness of emerging Palestinian generations in this holy city, in a blatant violation of international laws and conventions, and calls for issuing an international appeal to counter those measures and for the Islamic Group at the United Nations relevant fora to move promptly to compel Israel, the occupation force, to stop its heinous policies.

2. Calls upon Member States to provide all necessary financial assistance in order to provide the funding required for the development of education in the occupied territories, in general, and in the City of Al-Quds Al-Sharif, in particular, in view of the extreme difficulties faced by the educational process in the Holy City on account of the practices of the Israeli occupation authorities, including imposing their own educational curricula and closing down schools outside their control and the erection of security barriers impeding movement and transportation of teachers and students preventing access to their places of work, schools and universities.

3. Reiterates its full support and assistance for the inhabitants of the occupied Syrian Golan in their resistance against the oppressive Israeli practices, and their legitimate struggle to preserve their cultural, national, and Arab identity, and **appeals to** the United Nations and to specialized international bodies and institutions, particularly UNESCO, to counter these Israeli policies which violate international laws and conventions.

3. Calls on the Holy See not to sign any agreement with Israel on issues of economic, financial and property ownership for the Catholic Church or institutions in the Palestinian territories occupied since 1967, including East Jerusalem, and not conclude any agreement in this regard except with the State of Palestine, given that any agreement with Israel (the occupying power) is a flagrant violation of international law, international legitimacy and resolutions and a violation of the Vatican's commitment as a member of the United Nations. **Also calls** on the Vatican to abide by the Basic Agreement it signed with the Palestinian Liberation Organisation in 2000, and calls on Member States to engage the Holy See and influential countries to ensure that the said agreement does not violate any of the above-mentioned principles.

Requests the General Secretariat to continue its coordination with international agencies and institutions and particularly with UNESCO in order to implement the initiative of UNESCO's Director-General to renovate the Holy City; preserve the historic buildings of Al-Quds Al-Sharif and the ancient buildings surrounding Al-Quds Holy Sanctuary; close the tunnel; stop the excavation works especially on the south and west of the Holy Al-Aqsa Mosque; and preclude the implementation of any designs aimed at obliterating the Blessed Al-Aqsa Mosque.

6. Urges the General Secretariat and Member States to provide material assistance, in implementation of the content of the Final Communiqué of the 3rd Extraordinary Islamic Summit

on the contribution of one dollar by every Muslim, alongside the contributions of Member States, in order to enable the Palestinian people to face Israeli assaults and designs aimed at obliterating religious landmarks in the Holy City of Al-Quds, and **reaffirms** the need to provide all forms of support and assistance to the Palestinian Arab residents of Al-Quds Al-Sharif to enable them to renovate their houses, support their steadfastness and protect Islamic shrines in Al-Quds Al-Sharif.

7. Strongly condemns Israel for building the separation Wall, the so-called Jerusalem Envelope, which seeks to isolate the City of Al-Quds from its Arab-Palestinian environment, and for its unrelenting attempts to judaize it by altering its civilizational, historical, and cultural landmarks.

8. Requests Member States to coordinate and intensify their efforts in the various international forums to force Israel to give up the partitioning of the Ibrahimi Mosque in Al-Khalil, to ensure access to it for Muslim worshippers, and preserve its integrity as a Mosque for Muslims only, just as it has been down the ages.

9. Calls on Member States to ensure the restoration of the old town in Al-Khalil and to safeguard the heritage and culture of this historic city and its resident Palestinian families in order to counter Jewish settlements in the city.

10. Strongly denounces and condemns Israel for digging excavations under the perimeter of Al-Aqsa Mosque, leading to the collapse of a large section of the Mosque's perimeter along Al-Maghariba Gate. Further **condemns** Israel for denying Palestinians access to their places of worship in Al-Quds and for its attempt to interfere in the Islamic Waqf (Endowment) matters and prevent the renovation of holy places.

11. Requests the General Secretariat to constitute a committee of legal experts from Member States to discuss the grave violations perpetuated by Israel in the vicinity of the Blessed Al-Aqsa Mosque in the form of excavation and threat to the Mosque's foundations, and make necessary legal recommendations for the protection of the Mosque and other holy places in the city of Al-Quds and other parts of Palestine.
